Sense

Design Stefan Borselius

Sense är en elegant produktlinje med en mjuk framtoning, framtagen för att passa in i den moderna konferens- eller utbildningsmiljön.

Sense, is an elegant product range with a soft expression, developed to fit the modern conference and education space.

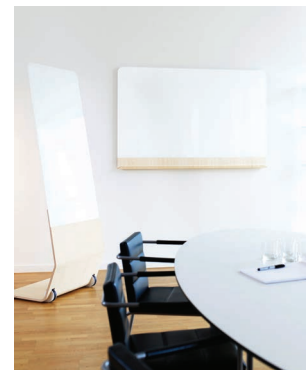

Serien består av en glasskrivtavla samt mobil skrivtavla.

The range contains glass writing board and mobile writing board.

Trädetaljer i askfaner och skrivytor i optiskt vitt glas med vit baksida.

The frame/body is made from ash veneer and the glass boards are in optic white glass with a white backside.

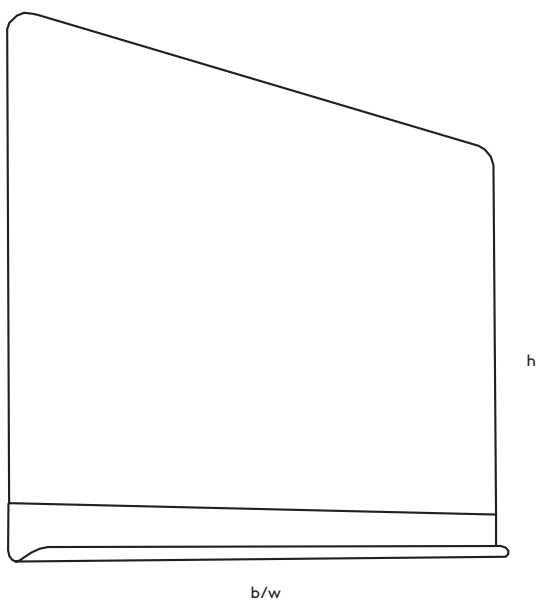

Finns även i obehandlad ask för valfri betst eller lack, offereras separat.

The body/frame is also available in untreated ash or optional stain or lacquer on ash against an upcharge.
