

[Model R]

Ergonomically comfortable all-rounder.

This legendary armchair scores with a wide range of **comfort functions**. It is available as a small, medium or large version. The **seat/back adjustment** makes it possible - optionally also electrically - to relax and unwind. A contrasting colour thread can be used on request.

Model R - living room examples

Cover: Z69/95 anthracite; Z73/95 graphite

Cover: Z78/95 graphite

Flexible headrest

Every article is equipped with stageless headrest adjustment for standard.

The right spin

For an extra charge the armchair can be equipped with a metal turntable.

Seat- /back adjustment

The articles have a manual seat- /back adjustment for standard. For surcharge the function is available with motor. See order information.

Seat-/Back heights

The ML55. armchair has a taller back cushion of approx. 4 cm. Three seat heights can be chosen for each armchair and have to be indicated. That results of a taller leg. See order information.

Metallic colours for sides and legs

The armparts are available to match the legs in the metal colours black or shiny chrome. You have the choice!

Order information

Seat/backrest adjustment:

The backrest tilts backwards, at the same time the seat slides backwards and lowers slightly. The footrest extends. Overall, the angle between backrest and seat remains unchanged.

Manual with gas pressure spring (standard/included): By operating the lateral chrome lever, you can use your body weight to lower the backrest continuously without further altering the seat or footrest. The desired seat position can be locked.

Motorised adjustment (at extra cost):

At extra cost, the seat-back adjustment can also be ordered with a single motor (F20), single motor with battery (F30), double motor (Art. No. = F40) or double motor with battery (Art. No. = F70).

Basic armchair = gas pressure spring function by lever

Please specify when ordering!

F20 (at extra charge) = single motor

F30 (at extra charge) = single motor with battery

F40 (at extra charge) = double motor

F70 (at extra charge) = double motor with battery

Adjustment by motor:

Please pay attention that with using the adjustment by motor with battery pack the battery has to be charged completely every 4 to 6 weeks, also if the function wasn't used regularly..

Rotary limitation:

The armchairs with stream supply by net cable are defeated by a rotary limitation to maximum 355° what serves for the protection of the net cable.

Armchair sizes:

MS50. - individual armchair "small" - seat width approx. 50 cm, standard back height
 MM50. - individual armchair "medium" - seat width approx. 50 cm, standard back height
 ML50. - individual armchair "large" -seat width ca. 55 cm, standard back height + approx. 4 cm (hoch), seath height tall (+ approx. 6 cm)

Seam appearance:

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

All of the dimensions given are approximate dimensions in cm. We reserve the right to make changes. Dimensions are given as follows: width/depth/height/seat height. The measures refer to the small leg height.

The swivel legs protrude. The dimensions are given excluding this protrusion.

Seat depth: approx. **47 cm**

Armpart width: approx. **7 cm**

Armpart height: approx. **65 cm** (MM50.)

Total depth with function: approx. **165 cm**

Seat width:

MS50. and MM50. approx. **52 cm**

ML50. approx. **57 cm**

Seat height: approx. **47 cm/** approx. **50 cm/** approx. **53 cm**

Contrasting thread:

This model is available in leather and some fabric colours

with contrasting colour thread on request at no extra charge. You will find the specified colours on the cover sheet of the individual leather qualities in our fabric/leather trolley. Please always state the contrast thread number, otherwise it will be delivered tone in tone.

Model-specific qualities:

The upholstery of this model has intentionally been made loosely to create a certain visual effect. This is not a quality defect but a model-specific characteristic that guarantees optimum seat comfort.

Order checklist

- Cover
- Leg design/-height
- Swivel base (surcharge)
- Metal colour for legs
- Seat- /back adjustment manually/by motor (surcharge)
- Contrasting thread

Upholstered furniture made with passion.

Your model is the product of German design and engineering. The family-owned company W.SCHILLIG has more than 70 years' experience of technical skill, trend-setting ideas, attractive design and know-how from Germany. The result is upholstered furniture that guarantees first class comfort and attention to detail. We keep sustainability and protection of resources in mind when choosing the materials we use.

The RAL quality mark for furniture stands for the certain knowledge that this is a non-hazardous piece of furniture of reliably high quality and with an attractive design. The Deutsche Gütegemeinschaft Möbel makes sure of this with numerous tests. Inspections also safeguard the testing system.

The highest European accolade for systematic, in-house, environmental management. Improvement of environmental protection services.

Legs

5-spoke base diff. metal col. **3 seat heights** F U1

metal base diff. metal col. **surcharge 3 seat heights** F U2.
